A hand-drawn birthday card illustration. At the top, there are two blue clouds on the left and a yellow sun with a smiling face on the right. Yellow diagonal lines representing sunbeams radiate from the sun across the upper half of the card. In the center, the Lithuanian phrase "Su Gimtadieniu, Mielas Darželis!" is written in a purple, cursive script. At the bottom, there is a green grassy field with six small flowers: three pink and three purple, each with a green stem and leaves. The word "NOJUS" is written in blue capital letters in the bottom right corner.

Su Gimtadieniu, Mielas Darželis!
